“ My heart breaks. I knew Guy a short time at a previous workplace. We became instant friends and kept up on socials. Guy knew no stranger, he was a friend to all. Guy always talked about golfing with his mom and spoke very highly of his family. My sincere condolences.

“ I've known Guy for the past 5 Years from our Job, but we developed a great friendship in that time. He was a kind and caring man, who really went out of his way for his people.

My family and I will miss him deeply, and fondly remember him in our hearts.

To his family and friends, we share our condolences.

Guy is kicking back on the shores of the beyond, and as always he's keeping the drinks cold and saving seats for all of us.

Rest in Peace my friend

If anyone kindly can confirm the July 17th seaside at his old place, I would be appreciative.

“ "Life is not measured by the number of breaths we take, But by the moments that take our breath away" Guy lived a life full of breathtaking moments and he cherished them all. You'll be missed.
