“ As one of the oldest cousins, I have some good memories of Auntie Margaret as I
was growing up.
The last of twelve brothers and sisters and what a family they all were
Leaving to go to the States must have been a hard decision which I know she never
regretted
It was great when they both came back to the UK and when the family came it was
even better
My aunt had a good life and now she is reunited with uncle Doug, both RIP

“ Dear Carolyn Lauren Paul & families,
We were so sad to hear of the passing of your dear Mum and our dear Aunt Marg. She was the last of that generation of the Pawley family and will be fondly remembered by all her relatives in the U.K.. We always looked forward to her many visits to England where she would love to meet up with all her sisters and brothers and many nephews and nieces and in later years Gt Nephews & nieces. She would take great interest in each and everyone of them. She has left some wonderful memories behind of all the parties and get togethers when she returned to Cambridge which we will hold dearly in our hearts and will never be forgotten.

With much love from Nephew Michael Gig & family
